The Board of Directors of Bangkok Post Public Company Limited ("the Company") resolved to call the 2026 Annual General Meeting of Shareholders on 23 April 2026 at 11.00 hours through electronic means (e-AGM) with the following agenda:

Agenda 1 Approve the Minutes of the 2025 Annual General Meeting of Shareholders held on 25 April 2025

Objective and reason The Company held the 2025 Annual General Meeting of Shareholders on 25 April 2025 and submitted the minutes of the meeting to The Stock Exchange of Thailand and the Ministry of Commerce within the period prescribed by laws and disseminated it on the Company's website at www.bangkokpost.co.th. (*Attachment 1*)

Board of Directors' opinion The Board of Directors recommends shareholders to approve the Minutes of the 2025 Annual General Meeting of Shareholders held on 25 April 2025.

Agenda 2 Approve the cancellation of the resolution approving the debt-to-equity conversion and capital increase at 2025 the Annual General Meeting of Shareholders held on 25 April 2025

Objective and reason A debt-to-equity conversion project must be prepared before any debt-to-equity conversion takes place. Therefore, the shareholders' meeting is required to revoke the resolution approving the debt-to-equity conversion and the increase of registered capital previously approved at the 2025 Annual General Meeting of Shareholders, in order to ensure that the process is carried out in full compliance with the required procedures.

Board of Directors' opinion The Board of Directors has considered the matter and deemed it appropriate to propose that the Shareholders' Meeting consider and approve the revocation of the resolution approving the debt-to-equity conversion and the increase of registered capital, which was previously approved at the 2025 Annual General Meeting of Shareholders held on 25 April 2025.

Agenda 3 Approve the reduction of the Company's registered capital by cancelling unpaid registered capital and amending Article 4 of the Company's Memorandum of Association to be in accordance with the reduction

Objective and reason Section 136 of the Public Limited Companies Act B.E. 2535 (1992) provides that an increase of the registered capital of a public limited company by issuing new shares may be made only when all shares have been issued and fully paid-up except when the remaining shares are issued for the exercise of rights under convertible debentures or share warrants.

In order for the Company to proceed with an increase of its registered capital by issuing additional new shares, the Company is therefore required to reduce its registered capital by cancelling the shares that have not yet been issued or have not yet been offered for sale, totaling 5,000,000 shares.

Accordingly, it is proposed that the Shareholders' Meeting consider and approve the reduction of the Company's registered capital from Baht 505,000,000 to Baht 500,000,000 by cancelling 5,000,000 unissued or unoffered shares with a par value of Baht 1 per share, and the amendment to Article 4 of the Company's Memorandum of Association to reflect such reduction of the registered capital.

Board of Directors' opinion The Board of Directors has considered the matter and deemed it appropriate to propose that the Meeting of Shareholders consider and approve the reduction of the Company's registered capital from Baht 505,000,000 to Baht 500,000,000 by cancelling 5,000,000 shares that have not been issued or have not yet been offered for sale, with a par value of Baht 1 per share, and the amendment to Article 4 of the Company's Memorandum of Association to reflect such reduction of the registered capital as follows:

From

“Clause 4	Registered Capital:	Baht 505,000,000	(Five Hundred and Five Million Baht)
	Divided into:	505,000,000 shares	(Five Hundred and Five Million Shares)
	Par value of:	Baht 1	(One Baht)
	Divided into:		
	Ordinary Shares:	505,000,000 shares	(Five Hundred and Five Million shares)
	Preference Shares:	-	(-)”

To be

“Clause 4	Registered Capital:	Baht 500,000,000	(Five Hundred Million Baht)
	Divided into:	500,000,000 shares	(Five Hundred Million Shares)
	Par value of:	Baht 1	(One Baht)
	Divided into:		
	Ordinary Shares:	500,000,000 shares	(Five Hundred Million Shares)
	Preference Shares:	-	(-)”

Resolution

The resolution for this agenda item must be adopted by at least three-fourth of votes of the shareholders presenting at the meeting and having the right to vote.

Agenda 4 Approve the debt-to-equity conversion project

Objective and reason The Company has encountered financial difficulties as a result of continuous operating losses. Although the Company has attempted to adapt and still possesses the potential to continuously generate cash flow from its operations, the media and publishing business faces several key risks, including the following:

Risk from intensified competition and competition through online channels, which are easily accessible and involve lower costs, has resulted in digital disruption that directly affects media and publishing operators. As a result, operators must adjust their strategies and business structures in order to cope with the competitive environment. At the same time, print media, which represents a traditional form of media, continues to be affected by competition and changes in consumers’ media consumption behavior. Consequently, the operating performance of print media operators has significantly declined.

Risk relating to personal data protection laws (PDPA) has also arisen following the full enforcement of the Personal Data Protection Act B.E. 2562 (2019) on 1 June 2022, which affects the presentation of news content by media operators as such content may potentially infringe upon individuals’ personal data rights; accordingly, the production of media content must be undertaken with greater caution and in accordance with industry practices and standards for the production and dissemination of media content in compliance with applicable laws.

As a result of the factors mentioned above, the Company’s operating results have been adversely affected, causing the Company to have shareholders’ equity of less than zero. Consequently, The Stock Exchange of Thailand (the “SET”) delisted the Company’s ordinary shares from the SET on 8 March 2024. The Company’s financial position as

of 30 June 2025, as shown in the Company's separate financial statements, indicates that the Company had accumulated losses of Baht 954.18 million, total liabilities of Baht 558.08 million, and a debt-to-equity ratio of approximately 1.4 times. In comparison with the Company's financial position as of the end of the previous fiscal year, the Company had accumulated losses of Baht 912.94 million, total liabilities of Baht 530.39 million, and a debt-to-equity ratio of approximately 1.5 times.

In addition, as the Company has obtained loans from Mr. Suthikiati Chirathivat ("Mr. Suthikiati") and Bangkok Bank Public Company Limited ("Bangkok Bank"), major shareholders of the Company, as of 30 June 2025, the Company had outstanding principal and accrued interest payable to Mr. Suthikiati in the amount of Baht 321.82 million and to Bangkok Bank in the amount of Baht 71.36 million, totaling Baht 393.18 million. The Company intends to undertake a financial restructuring by reducing its debt burden in order to improve its debt-to-equity ratio, as well as to enhance confidence among investors and financial institutions. This is expected to strengthen the Company's ability to obtain credit facilities and enter into future transactions. In this regard, the Company has therefore resolved to implement a debt-to-equity conversion project.

The Company has negotiated with Mr. Suthikiati and Bangkok Bank, and both parties have agreed to participate in the debt-to-equity conversion project for the debt owed by the Company to Mr. Suthikiati in the amount of Baht 298 million and the debt owed to Bangkok Bank in the amount of Baht 71 million, totaling Baht 369 million. Such debt represents the outstanding principal as of 31 December 2024. Under the debt-to-equity conversion project, the Company will issue and offer newly issued ordinary shares by way of a Private Placement to specific investors, namely Mr. Suthikiati and Bangkok Bank, at an offering price of Baht 0.50 per share. The offering price is lower than the par value as the company has been operating for at least one year and it appears to have accumulated losses of 954.18 million baht, details are shown in the statement of financial position and income statement as of June 30, 2025, in accordance with Section 52 of the Public Company Limited Act, as detailed in Attachment 3 (Debt-to-Equity Conversion Project of Bangkok Post Public Company Limited).

Board of Directors' opinion The Board of Directors considers that the implementation of a debt-to-equity conversion project will reduce the Company's debt burden, which will improve the Company's debt-to-equity ratio as reflected in its financial statements, and enhancing confidence among investors and financial institutions in respect of the Company's ability to obtain credit facilities and enter into future transactions. This matter will enable the Company to operate its business with better financial flexibility and efficiency.

Accordingly, the Board of Directors deems it appropriate to propose that the shareholders' meeting consider and approve the implementation of a debt-to-equity conversion project as detailed above.

Resolution

The resolution for this agenda item must be adopted by at least three-fourth of votes of the shareholders presenting at the meeting and having the right to vote.

Agenda 5 Approve the increase of the Company's registered capital by issuing new shares and amending Article 4 of the Company's Memorandum of Association to be in accordance with the increase of the capital

Objective and reason In connection with the debt-to-equity conversion project, the Company shall increase its registered capital from Baht 500,000,000 to Baht 1,238,000,000 by issuing 738,000,000 newly issued ordinary shares with a par value of Baht 1 per share for offering and allocation on a private placement basis in connection with the debt-to-equity conversion project, as set out in Enclosure 3, and amend Clause 4 of its Memorandum of Association to be consistent with the increase of its registered capital.

Board of Directors' opinion The Board of Directors has considered and resolved that the issuance and offering of newly issued ordinary shares to the two creditors under the debt-to-equity conversion project would reduce the Company's debt burden. Accordingly, the Board of Directors has considered and recommends that the shareholders consider and approve the increase of the Company's registered capital by issuing new ordinary shares for a private placement to specific investors pursuant to the debt-to-equity conversion project, as well as the amendment to Article 4 of the Company's Memorandum of Association to reflect such increase in registered capital, as follows:

From

“Clause 4	Registered Capital:	Baht 500,000,000	(Five Hundred Million Baht)
	Divided into:	500,000,000 shares	(Five Hundred Million shares)
	Par value of:	Baht 1	(One Baht)
	Divided into:		
	Ordinary Shares:	500,000,000 shares	(Five Hundred Million shares)
	Preference Shares:	-	(-)”

To be

“Clause 4	Registered Capital:	Baht 1,238,000,000	(One Thousand Two Hundred Thirty-Eight Million Baht)
	Divided into:	1,238,000,000 shares	(One Thousand Two Hundred Thirty-Eight Million shares)
	Par value of:	Baht 1	(One Baht)
	Divided into:		
	Ordinary Shares:	1,238,000,000 shares	(One Thousand Two Hundred Thirty-Eight Million shares)
	Preference Shares:	-	(-)”

Resolution

The resolution for this agenda item must be adopted by at least three-fourth of votes of the shareholders presenting at the meeting and having the right to vote.

Agenda 6 Approve the allocation of shares from the capital increase under the debt-to-equity conversion project

Objective and reason In connection with the debt-to-equity conversion project, following the capital increase, the Company is required to allocate the newly issued shares. Accordingly, it is proposed that the shareholders' meeting consider and approve the allocation of up to 738,000,000 newly issued ordinary shares of the Company, with a par value of Baht 1 per share, for offering to Mr. Suthikiati and Bangkok Bank, for the purpose of debt settlement under the debt-to-equity conversion project, at the price of Baht 0.50 per share.

Board of Directors' opinion The Board of Directors has considered that it is appropriate to propose that the shareholders' meeting consider and approve the allocation of the Company's newly issued ordinary shares for offering for private placement pursuant to the debt-to-equity conversion project.

Resolution

The resolution for this agenda item must be adopted by at least three-fourth of votes of the shareholders presenting at the meeting and having the right to vote.

Agenda 7 Acknowledge the Annual Report of the Company and approve the audited financial statements of the Company for the year ended 31 December 2025

Objective and reason Article 21 of the Company's Articles of Association stipulates that a statement of accounts and balance sheet for each fiscal year of the Company shall be prepared by the Board of Directors and audited by the Company's auditor before presentation to the Annual General Meeting of Shareholders for approval. (*Attachment 2*)

Board of Directors' opinion The Board of Directors recommends shareholders to acknowledge the Annual Report of the Company and approve the audited financial statements of the Company for the year ended 31 December 2025.

Agenda 8 Consider the omission of dividend payment

Objective and reason Article 19 of the Company's Articles of Association stipulates that dividends shall not be paid other than out of profits. Dividends shall be distributed according to the number of shares, with each share receiving an equal amount. The Company shall allocate not less than 5 percent of its annual net profit less the accumulated losses brought forward (if any) to a reserve fund until this fund attains an amount not less than 10 percent of registered capital.

- The Company's statutory reserve had already attained the amount of 10 percent of the registered capital. The Company will not make any further appropriation of profits as statutory reserve.
- The Company has a policy to pay dividend of approximately 60 percent of its net profits every year. The fluctuation of payment will depend on capital spending commitment and liquidity position.
- The Company did not pay any interim dividend during the year 2025.

Board of Directors' opinion The Board of Directors recommends shareholders to approve the omission of dividend payment for the year 2025 due to the Company had operating losses in the year 2025.

Objective and reason Article 7 of the Company's Articles of Association stipulates that at every Annual General Meeting of Shareholders, one-third of the directors shall retire. If the number of directors is not divided by three, the number of directors nearest to one-third must retire. The director who has held the position the longest shall be the first person to retire. The retired director shall be eligible for re-election.

At the 2026 Annual General Meeting of Shareholders, directors who shall retire by rotation are Mr. Suthikiati Chirathivat, Mr. Worachai Bhicharnchitr and Mr. Ek-Rit Boonpiti. The Board of Directors has considered and recommended to re-elect Mr. Suthikiati Chirathivat, Mr. Worachai Bhicharnchitr and Mr. Ek-Rit Boonpiti as directors of the Company for another term. (*Attachment 4*)

Board of Directors' opinion The Board of Directors recommends shareholders to re-elect Mr. Suthikiati Chirathivat, Mr. Worachai Bhicharnchitr and Mr. Ek-Rit Boonpiti as directors of the Company for another term, since they are knowledgeable and experienced which would benefit the Company's operation.

Agenda 10 Fix directors' remuneration

Objective and reason Article 10 of the Company's Articles of Association stipulates that the Company is prohibited from paying money or other assets to the directors except such remuneration pursuant to the Articles of Association being salary, allowance, meeting allowance, travel allowance, award, and bonus.

Board of Directors' opinion The Board of Directors considers and recommends shareholders to approve the directors' remuneration for the year 2026 in a total amount not exceeding 5,500,000 baht. The allocation of such amount to each director shall be considered by the Board of Directors as it deems appropriate.

In the case the Chairman of the Board of Directors chairs another sub-committee, he will receive 50 percent of the remuneration for being a member of another sub-committee. Directors who are executives of the Company will not receive any remuneration as directors.

The notice shall specify the place, time and date, agenda, and matters to be proposed for consideration of the meeting, together with details as to which matters are for the information, for authorisation, or for deliberation of the meeting. The opinion of the Board of Directors as to such matters shall be attached to the notice. The Board of Directors shall also send to all shareholders with such notice a copy of audited statement of accounts and balance sheet for the preceding fiscal year, a copy of the Board of Directors annual report, and other documents as required by law or deemed appropriate by the Board of Directors.

Article: 3 Quorum

A meeting of the shareholders of the Company may not transact any business unless at least twenty-five (25), or at least one-half (1/2), of the shareholders and proxies (if any) holding in aggregate at least one-third (1/3) of the issued shares of the Company are present at the meeting. If within one (1) hour of the time appointed for the meeting a quorum prescribed by this Article is not present then the meeting shall be dissolved. Except in the event of a shareholders meeting called by requisition pursuant to the Article 2 (A), another meeting shall be summoned and notice of such meeting shall be sent by mail to all shareholders at least seven (7) days prior to such meeting, at which a quorum shall not be required.

Article: 4 Proxies

Any shareholder may be represented and vote by proxy at any General Meeting. The Proxy appointment must be made in writing, signed by the shareholder, and submitted to the Chairman of the Board of Directors or the Chairman of the meeting at the place of the General Meeting prior to attendance by the proxy. The instrument appointing the proxy shall be in the format prescribed by the Registrar and shall contain at least the following:

- (a) Number of shares held by the shareholder appointing the proxy;
- (b) Name of the proxy; and
- (c) Specific meeting at which the proxy has been assigned to attend and to vote.

The proxy shall have the number of votes equal to the aggregate number of votes to which the shareholders appointing the proxy are entitled, unless the proxy shall make a statement in the General Meeting before voting that he or she shall only vote on behalf of certain shareholders whose names and number of shares held are disclosed by the proxy.

Article: 5 Voting

At any General Meeting, every shareholder shall have one (1) vote for each share in respect of which he, she or the registered holder. Adoption of any resolution, except where otherwise required by law, or approval of any other matter at a General Meeting (including election of directors) shall require the affirmative votes of a majority of the total number of shares held by shareholders attending or represented at the meeting and entitled to vote thereat. In the event of a tie vote, the Chairman of the meeting shall have a casting vote. Voting shall be conducted in an open manner, unless not fewer than five (5) shareholders shall have requested to vote by secret ballot and the meeting has so resolved, in which event the voting shall be so prescribed by the Chairman of the meeting. A shareholder who has a vested interest in any matter shall not be entitled to vote thereon, except that said shareholder may vote in connection with the election of directors.

Part 2 Board of Directors

Article 6: Number and Election of Directors

The Board of Directors shall consist of not less than five (5) persons. At least one-half (1/2) of the directors must be residents of Thailand. The Board of Directors shall elect one (1) director as the Chairman of the Board of Directors. If deemed appropriate by the Board of Directors, one (1) or more directors may be elected as Vice-Chairmen, to have duties pursuant to these Articles of Association in the matters designated to them by the Chairman.

The directors shall be elected at the shareholder meeting in accordance with the following rules and procedures:

- 2) A shareholder or proxy may vote only for as many persons as vacancies on the Board of Directors are to be filled. A shareholder or proxy may not cast more than one (1) vote for any person in respect of each share that the shareholder holds or proxy represents and may not allot his or her votes to any person in any number.
- 3) After the vote, the candidates shall be ranked in order descending from the highest number of votes received to the lowest and shall be appointed as directors in that order until all of the director positions are filled. Where the votes cast for candidates in descending order are tied, which would otherwise cause the number of directors to be exceeded, the remaining appointments shall be made by drawing lots.
